Experience

About Me

From concept to execution, I lead with creativity, master new IT skills to deliver impactful design, and collaborate effectively to bring your vision to life. Let's discuss how I can be your design partner.

SSC (Secondary School Certificate) Year of 2017-2018

With the GPA of 4.00 out of 5.00, I've passed the SSC examination in 2018 from our renowned school Govt. Islampur Nekjahan Pilots Model High School

Diploma In Engineering Year of 2019-2022

With the CGPA of 3.07 out of 4.00, I've passed the Diploma In Engineering examination in 2022 from Brahmanbaria Polytechnic Institute in Computer Sc.

B.Sc. in CSE Year of 2023-Present

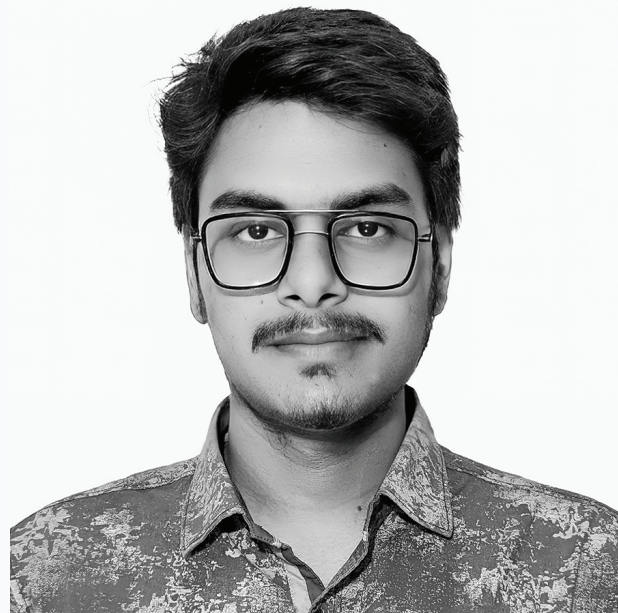

At present I'm doing Bachelor in Science (BSC) in Computer Science and Engineering from City University, Khagan, Birulia, Savar, Dhaka.

Losomo Studio 2022-Present

Working as a full time Graphic Designer at Losomo Studio from 2022. This is a local agency that bring projects from international buyers and give it to us.

Priyo Chobi Events Photography 2024-Present

This is my own startup business. I actually deals with locals who need photography services, also do photography and videography with additional edits by myself
